

# THANK YOU!

We are not sure how or if we can put into words how thankful we are to everyone...how do you say "Thank You" when that just isn't enough???

What The Dream House & you gave our family is absolutely extraordinary...a true testament to the Christmas Spirit...A Blessing...A Miracle...

It was a gift beyond belief...We had a very emotional day...seeing first hand what wonderful people we have in our lives...how in these uncertain times when most people are struggling to some degree financially...so many people wanted to help us and others like us!!!!

What a wonderful Christmas Miracle our family was given....Thank You!!!!!!!!!!!!!!!!!!!!

God blessed this family with Susan, a child perfect in his eyes, perfect in ours! She may live her life with HALF a heart, but she has taught Mike and I to live ours with our whole hearts...and she has touched the hearts of so many people...one perfect child from God!

Thank you and we hope all of you have a wonderful Holiday Season...May the coming year bring you happiness, laughter, and many deserved blessing!

Love,  
Candice, Mike, Susan, John, Meaghan & Lauren
