

A home. A family. A future.

Dream House annual fund raising events are intended to raise awareness for the plight of medically fragile children, and generate community support for these children and their families. Proceeds from each event benefit Dream House for Medically Fragile Children, Inc., a 501(c)3 not-for-profit organization serving Georgia, EIN 58-2654766.

Annual sponsorships cover event expenses, provide leverage for effective event promotion, and create the framework for 100 percent of all other event-specific fund raising revenues to support the cause. Volunteers join with us to cultivate quality sponsor relationships for endorsement and promotion, and to secure in-kind product/service donations to minimize event-related expenses.

2011 Spring and Fall Signature Fund Raising Events benefiting Dream House for Medically Fragile Children, Inc.

As an annual sponsor, your organization will be associated with:

- The first and only Children's Transition Care Centers licensure recipient in the nation,
- A 2009 Gwinnett County Chamber of Commerce Pinnacle Award Winner,
- A children's charity awarded the Independent Charities Seal of Excellence, demonstrating the highest standards of public accountability, program effectiveness and cost effectiveness,
- Best of Gwinnett Charity Social Event winner since 2007 by readers of Gwinnett Magazine,
- An organization devoted to improving quality of life for children with complex health issues so they may live at home instead of being institutionalized for life.
